NOTICE

Sub.: Reopening of Institute ... reg.

I wish everyone is safe, healthy, and happy!

The reopening of the Institute scheduled on 08, June'20 is postponed due to the extension of lockdown throughout the nation and the new date will be informed later.

Our institute can commence its functioning only when there is no ban on interstate traffic, resumption of train and bus services. Let us hope positively that soon the lockdown will be unconditionally lifted.

However, every individual, in particular students should keep on working continuously and in fact the lockdown should have minimal impact in one's Learning Process and acquisition of knowledge in the curriculum subjects and beyond also! The following are the general guidelines/instructions to keep up the Learning Process till the reopening of the Institute:

VIII Semester

- The Institute will be reopened as per the NIT Hamirpur calendar/schedule.
- End semester exams and other exams will be conducted as per the NIT Hamirpur schedule.
- Results will be declared at the earliest possible along with the issue of Grade Cards and Provisional Certificates.
- Students should prepare for their end semester exams.
- Students having supplementary exams may also start preparation of such subjects without waiting for announcement of schedule for the same.
- Students may register for extra online courses and spend their time meaningfully to increase their capability a minimum of 10 to 20%.
